

ClearVision™ 2 Thermoplastic Masks

ClearVision Thermoplastic Masks are part of CIVCO's Tranquility™ Series.

Tranquility masks are designed with patient comfort and 3D tracking in mind. These masks are made from CIVCO's standard white reinforced material and feature unique patterns that offer a more open feel yet maintain rigidity and reproducibility.

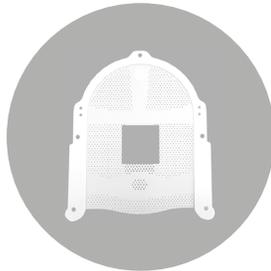

Features & Benefits

- Designed with open face which is ideal for use with camera/vision systems
- Compatible with Vision RT's AlignRT® camera system
- Head, Neck and Shoulders option offers an open neck area for additional camera capture
- Compatible with CIVCO's Type-S™ Patient Positioning System
