

Trouble getting your patient onto the treatment couch?

LiftMate™
Brewer Low/High Patient Lift

LiftMate

MTLIFT01

500 lb weight limit, 3 year-warranty

Accessibility is no longer a problem. The LiftMate™ mobile patient lift is a safety-enhancing solution that helps assist patients on and off any elevated imaging or treatment table quickly, easily and safely.

- Ideal for any patient with challenged mobility, including:
 - Elderly patients
 - Larger patients, especially those treated prone
 - Patients treated on robotic couchtops
 - Patients with compromised breathing
 - Patients with arthritis or other joint pain
- Smooth movement and large platform with ample room for patient positioning
- Mobile, maneuverable and easy to use
